Gretna Green Tartan

Cashmere Gretna Green Tartan Scarves from The Scottish Register of Tartans available from the Original Home of Romance.

Our tartan holds a special place in our heart, having been commissioned in 1996 by our late chairman Alasdair Houston, whose family own our business which started in 1885.

The 'Gretna Green' tartan reflects the twin influences of our history and the powerful border clan Johnstone, so influential in this area of Dumfriesshire. Like with most clan tartans our 'Gretna Gold' tartan is a bold purple variation on our classic.
